MS IN IT AND MANAGEMENT and Graduate Certificates

Average Program Cost:

MS in IT & Management

On Campus

- In-State: \$16,500
- Out-of-State: \$35,500

Assumes 30 credit hours of full-time study for 3 semesters.

Online

- In-State: \$16,000
- Out-of-NC: \$25,000
- Out-of-State: \$40,000

Assumes 30 credit hours of part-time study for 2 years.

Certificate

Online

- In-State: \$6,500
- Out-of-NC: \$10,000
- Out-of-State: \$16,500

Assumes 12 credit hours of part-time study for 1 year.

The Outside-of-NC rate applies to students located outside of the state taking online classes. The Out-of-State rate applies to students taking classes while located within the state, but are not residents of NC as determined by the Residency Determination Service (ncresidency.org).

These estimated program costs include tuition and fees based on the 2024–2025 Graduate Tuition and Fee Schedule and do not include the cost of housing or student health insurance. Visit csh.uncg.edu for more detailed information. Tuition and fees vary depending on the program track pursued and the number of credit hours taken each semester.

CUSTOMIZE YOUR CURRICULUM:

Start with a stackable graduate certificate.

Each certificate is 12 credit hours

Take the three listed courses plus one elective to earn a certificate in:

- Business Analytics
- Cloud Computing & Security Analytics*
- Cyber Security
- Generative AI for Business*
- IT Management
- IT Development
- Supply Chain Analytics*
- Supply Chain Management

**New programs*

Keep adding certificates that match your interests and career goals, or move on to the MS in IT and Management (MSITM) degree program.

or

Earn your MS in IT and Management.

30 credit hours

You'll complete core courses in either IT Management or IT Development, then add concentrations or certificates that match your career goals. You can also create your own course of study by selecting 18 credit hours from across the MSITM curriculum.

YOUR CAREER COACH
